

Introduction

RSPCA Pet Insurance is a product that is suitable for cat and dog owners and is designed to cover the cost of veterinary fees and other expenses associated with protecting your pet.

This product offers the choice of 2 veterinary fees levels, which provide cover for illness or injury that your pet requires treatment for and which will reinstate each year.

This is an annual policy and the policy must be renewed for the cover to continue. Each policy year you can claim for the cost of treatments that are covered by this policy until the veterinary fee limit is reached. If we offer and you accept our renewal invitation, your veterinary fee limit will be reinstated and covered treatment payments can continue to be paid for a further period of insurance.

You need to be aware that the policy wording is subject to certain exclusions and conditions. It is therefore essential that you read and fully understand what is covered. In particular please refer to the following sections to help you understand the cover provided:

- What is Covered
- What is Not Covered
- Policy Conditions and Policy Limitations.

Your Policy Wording should be read in conjunction with your Insurance Schedule and Proposal Confirmation document as together they form the basis of your insurance contract.

For simplicity, we use keywords or phrases which are shown in **Meaning of Words** section and these are listed in alphabetical order. They have the same meaning whenever they appear and will always be shown in **bold**.
